

Wedding cars in Hawke's Bay, *dressed and chauffeured.*

A vehicle and a chauffeur held for your party alone, dressed in white ribbon, and timed to your ceremony. We carry the couple, the wedding party and your guests between the getting-ready address, the ceremony, the photographs and the reception, and we confirm every timing in writing, in New Zealand time, before the day.

DROP-OFF FROM	DROP-OFF AND RETURN FROM	VEHICLE HELD SIX HOURS FROM
\$225 NZD per vehicle	\$750 NZD per vehicle	\$1,800 NZD per vehicle

We price per vehicle, not per guest, and every price includes GST. The figure you are quoted is the figure you are invoiced.

What every wedding booking includes

- A vehicle and chauffeur allocated to the wedding party alone for every run in the package
- White ribbon dressing on the vehicle, and bows on the seat backs, at no charge
- The vehicle detailed on the morning of the wedding, and the chauffeur in position 15 minutes early
- A run sheet agreed in writing, with the return time confirmed directly with the venue
- Chilled glass-bottled still and sparkling water on board
- Individual leather seating, a climate-controlled cabin and high-speed Wi-Fi
- A suited chauffeur who assists with dresses, doors and umbrellas
- A vehicle of equal or higher specification at no extra cost if we need to substitute

Three steps, all confirmed in writing

1
Check the date.
Send us the wedding date, the venues and the size of the party. We hold one wedding per vehicle per day, so early dates are worth confirming.

2
We build the run sheet.
We agree each pickup with the couple, then confirm the return time directly with the venue. The finished run sheet arrives by email, every time stated in New Zealand time.

3
We arrive early.
The chauffeur is in position 15 minutes ahead of the first pickup, the vehicle dressed and detailed, then follows the run sheet through to the journey home.

Every wedding price, stated plainly

Per vehicle, in New Zealand dollars, GST included. We price weddings as packages rather than by the hour.
